List the mentors you are interested in meeting:

- 1.
- 2.
- 3.

Why are you interested in the mentorship programme?

Name specific questions or needs which you feel the Mentorship Programme will address for you.

Write a short paragraph about yourself. Include information which may be helpful for a mentor to know.

Describe your learning disabilities to inform your potential Mentors.

What type of school accommodations, if any, do you require in order to compensate for your LD?

What types of work accommodations, if any, might you require?

Has your LD been an asset to you? Discuss.

How would you describe your current stage of career development?

What are your short term and long term career goals?

How certain are you of these long-term goals?

What barriers might there be to achieving these goals?

What questions do you have about your future directions?
